INFORMATION FOR TRAVELERS

1. **TICKET OFFICES** at important stations are open in time to permit the purchase of tickets before the departure of trains. Passengers should purchase tickets before boarding train. Fares on trains exceed fares charged at ticket offices.

2. **UNLIMITED LOCAL TICKETS** are good until used and will be accepted for passage in reverse direction.

3. **COUPON TICKETS** to practically all points in the United States, Canada or Mexico are on sale at the company's principal stations. Such tickets may be obtained at smaller stations upon three days advance notice.

4. **CHILDREN** under five years of age will be carried free when accompanied by parent or guardian; five years of age and under twelve, half fare; twelve years of age or over, full fare. The law requires the passenger to pay and the Railroad Company to collect published tariff fares for children as well as for adults, and penalties are provided for failure to do so.

5. **FARES IN DRAWING ROOMS AND COMPARTMENTS.** Minimum transportation charge:

In Drawing Room — For two (2) adults.
In Compartments — For one and one-half (1½) adults.
Pullman fares are additional.

EXCEPTION — On limited trains — minimum four and one-half (4½) limited train tickets.

6. **PULLMAN RESERVATIONS.** Space in parlor and sleeping cars may be obtained on application at the City Ticket Offices listed on page 2, and at the principal station ticket offices.

Applications by mail or telegram for reservations from Boston or New York should be addressed to:

R. D. JONES, City Ticket Agent, Court and Washington Streets, Boston, Mass.
W. E. DUNCAN, Ticket Agent, Grand Central Terminal, New York, N.Y.

Advance reservations should be paid for twenty-four hours before departure of train.

7. **STOPOVERS.** First-class unlimited one-way tickets or regular excursion tickets, not limited to continuous passage, permit stopover upon notice to conductor at any point on the company's lines, except as noted below:

Stopover will not be permitted when the regular fare from point of stopover to next canceling point is less than ten cents nor will a second stopover be issued between the same two stations.

When tickets reading via New Haven are presented via Waterbury on through Boston and New York trains, no stopover will be allowed after leaving Bridgeport eastbound, or Hartford westbound.

No stopover will be allowed on rail portion of journey on excursion tickets to points on Marthas Vineyard and Nantucket Islands.

First-class limited one-way or excursion tickets permit stopover at Boston, New York, Springfield and Worcester for ten days or less by the deposit of ticket with Ticket Agent at such point immediately on arrival. Stopover will not be allowed on excursion ticket to exceed the original going or final return limit.

8. **LOST TICKETS.** The railroad company is not responsible for lost tickets and passengers are advised to make a memorandum of their tickets showing issuing line, office where purchased, form and numbers and date.

In case of loss pay fare to conductor or purchase another ticket and take receipt. Write to the General Passenger Agent of the road issuing the ticket, enclose receipt and explain the circumstances. If ticket is returned unused the company will redeem it.

9. **ADJUSTMENT OF FARES.** In case of disagreement with conductor relative to tickets, passengers should pay conductor's claim, take receipt and refer to the General Passenger Agent.

The conductor has no discretion in such matters, but is governed by rules.

10. **REDEMPTION OF TICKETS.** Unused or partially used tickets of this company's issue will be redeemed at their legal value if presented in person or sent by mail by the original purchaser to the General Passenger Agent with a statement of reason for non-use or partial use.

Such tickets of this Company's issue may be deposited with local ticket agent who will give receipt and forward them to the General Passenger Agent for redemption.

11. **ARTICLES LEFT ON TRAINS.** Receiving depots for articles found in passenger coaches are maintained at the following points:

Boston	Middletown	New York	Stamford
Bridgeport	New Britain	Port Chester	Taunton
Danbury	New Haven	Providence	Waterbury
Harlem River	New London	South Norwalk	Worcester
Hartford	New Rochelle	Springfield	

In case of loss inquire at the nearest receiving depot, if practicable; or notify General Baggage Agent at New Haven, Conn., giving full description of property, date of trip, between what points and number of train.

When articles are left in Pullman cars notify Superintendent of Pullman Company, Boston, Mass., or New York, N.Y.

12. **DOGS OR OTHER ANIMALS** will be transported only in baggage cars under the company's lawful tariff, particulars of which will be given by baggage masters.

The inspection of baskets or other enclosures carried by passengers in coaches is not expected even though such receptacles may contain small domestic pet animals. If offensive to passengers, however, such animals will be sent to the baggage car.

Permits will not be issued for the transportation of animals in coaches.

13. **ATTENDANTS AT BOSTON AND NEW YORK.** Attendants, wearing gray uniform and red cap, meet trains on their arrival at South Station, Boston, and Grand Central Terminal, New York. They will assist passengers with their hand baggage; direct them to the elevated, subway, street car lines or cab stands and render such assistance as may reasonably be required. These men, however, are not required to do porters' work or to handle heavy baggage.

14. **MOTOR CARRIAGE SERVICE** is maintained by the Armstrong Transfer Company at South Station, Boston, and the Westcott Express Company at Grand Central Terminal, New York. Stands for this service are maintained in the terminals.

15. **BAGGAGE REGULATIONS.**

(a) DECLARATION OF VALUE. The shipper of baggage or other property for interstate transportation, must when checking same, declare in writing the value thereof on form provided by the company.

(b) MARKING BAGGAGE AND RECORD OF CHECK. For precaution, the owner's name and permanent address should be plainly marked on each piece of baggage checked and the owner should make a note of the number of his check to aid in case of loss.

(c) BAGGAGE TRANSFERS. Where transfer of baggage is necessary en route, a transfer tag must be purchased at time of checking.

(d) SPECIAL DELIVERY OF BAGGAGE to hotel, residence or steamship pier in Boston, New York City, Brooklyn, Hoboken, Jersey City, and other cities may be obtained at nominal cost at the time baggage is checked.

(e) BAGGAGE CHECKING FROM HOTEL OR RESIDENCE. The following Transfer Companies will check baggage from hotel or residence to destination on presentation of necessary transportation tickets and transfer tags:

Boston — Armstrong Transfer Co.	New York — Westcott Express Co.
Hartford — Gaffey's Express.	Providence — Hopkins Transfer Co.
" — Smith Transfer Co., Inc.	Springfield — Springfield Baggage Transfer.
New Haven — The Smedley Co.	Worcester — Farnsworth Transfer & Ex. Co.
Newport — Newport Transfer Co.	

(f) FORWARDING BAGGAGE. Baggage should be delivered at the station in time to be forwarded, if practicable, on a train preceding that on which passenger intends to travel. Every effort will be made to forward baggage before or on same train with passenger; but this cannot be guaranteed, particularly in the case of limited trains, which have but small space for baggage. When baggage car space is exhausted baggage will be forwarded by next available train.

(g) BAGGAGE AGENTS ON TRAINS. Uniformed agents of the Armstrong Transfer Co. at Boston, and of the Westcott Express Company at New York City, respectively, will pass through principal trains and arrange for the transfer of baggage to all parts of the city. Such agents are also located at the terminal station.

Passengers are cautioned against dealing with outside express men.

(h) BAGGAGE IN PASSENGER COACHES. Passengers may carry a small quantity of hand baggage which may be placed in the rack or under the seat. Baggage will not be allowed in or protruding into the aisle of the car, or to interfere with the seating of passengers.

(i) BAGGAGE LIABILITY. Baggage consists of a passenger's personal wearing apparel, and liability of the New York, New Haven and Hartford Railroad Company is limited to $100.00 (except a greater or less amount is provided in tariff) on full fare ticket, unless a greater value is declared by owner at time of checking and payment is made therefor. Charge for excess value is moderate.

16. **PARCELS** may be checked at principal stations at a nominal charge. Agents will issue a hand check to be surrendered when the parcel is taken out.

17. **TIME-TABLE REFERENCES.** Reference symbols or letters shown with, or in the place of the station time, indicate that passengers will not be received or delivered at such points except as provided in the footnotes.

18. **INDUSTRIAL DEPARTMENT.** The Industrial Department of the New York, New Haven and Hartford R.R. invites correspondence from those desiring information relative to hotel sites, summer homes, suburban property, locations for shore resorts, sanitariums, farms, real estate and immediately available factories, also from those desirous of acquiring factory sites, timber lands or clay, granite and marble deposits and water powers. Communications should be addressed to Mr. W. H. Seeley, Manager, Room 519, South Station, Boston, Mass.

Safety First

1. **Do not board a moving train.**
2. **Do not alight from a moving train.**
3. **Remain seated until the train stops, and then alight carefully.**
4. **Do not put your hand, arm or any portion of your body under an open car window.**
5. **Do not put your hand on the jamb of car door when going out.**
6. **Do not run to catch a train. Wait for the next one.**
7. **Do not approach a station to take train except by traveled way provided for that purpose.**

Has a wharf frontage of over half a mile.

Can accommodate five large ocean-going steamships at one time.

The trains of the N. Y., N. H. & H. R.R. run onto the pier, which has space for 150 passenger or freight cars — six trains of 25 cars each.

Commonwealth Pier was built by the Commonwealth of Massachusetts under the supervision of the Directors of the Port of Boston. It was opened in 1913 and is part of a great plan for the development of Boston's steamship terminals, including the building in South Boston of the biggest dry-dock in the world.

The net register tonnage of shipping entering the Port of Boston every year ranks it as the second largest port in America, and the fifth largest in the world, closely following New York, London, Hamburg and Rotterdam, and outranking such ports as Antwerp and Liverpool, even before the present European war.

The Port of Boston, with its 56 steamship lines to and from all parts of the globe, is one of the world's greatest gateways.
